Let's PlayThru Golf Ball Performance Test

Stage 1

Wedge Feel: Sound and softness of contact on chips/pitches.
Distance Control: Ability to hit intended yardage and manage rollout.
Spin: Ability to check up and stop quickly on the green.
Putter Feel: Sound and feedback off the putter face.

Ball	Wedge Feel	Distance Control	Spin	Putter Feel	Total Score

Stage 2

Feel: Sound and feedback on full shots with irons and driver.
Distance: Overall carry distance compared to your average.
Accuracy: Tendency to stay on line and maintain tight dispersion.
Stopping Power: Ability to hold the green on full shots.
Control: Ability to shape shots and manage trajectory.
Durability: Resistance to scuffs and wear over the round.

Ball	Feel	Distance	Accuracy	Stopping Power	Control	Durability	Total Score

Stage 3

9 Holes of Scramble Golf. Closest ball to pin putts first.

Ball	H1	H2	H3	H4	H5	H6	H7	H8	H9	Total	Notes
